

# MESSIANIC JEWISH CONNECTION

*Are you Jewish but cannot participate in Jewish community life because of where you live?*

MESSIANIC JEWISH CONNECTION is a joint online ministry of two congregations that is designed to help Jewish and non-Jewish individuals and families who cannot otherwise do so, to become part of the life of a Messianic Jewish Community. Ohev Yisrael Messianic Jewish Congregation is located in Springfield, Virginia, and El Shaddai Messianic Congregation is located in Frederick, Maryland. We mainly serve our respective localities, but the power of the internet allows us to reach out further than we ever could before.

There is no cost for you to become connected, and here are some of the helps we offer via Facebook and Zoom:

01. Attend our Shabbat and holiday services online.
02. Participate in our interactive Shabbat afternoon Beit Midrash (Bible teaching and discussion)
03. Participate in mid-week Bible studies.
04. Participate in mid-week prayer meetings.
05. Join a mid-week chavurah (friendship group).
06. Bar/Bat Mitzvah training.
07. Personal counseling and discipleship training.
08. Courses of study geared to the Bible and Jewish life.
09. Assistance with the ceremonies of Jewish life such as Weddings, B'nei Mitzvah, funerals, etc.
10. Communication with a Messianic Jewish rabbi or shamash.
